A primary-school class had been studying magnetism all term and the head teacher asked the pupils on parents' day, 'What is it that picks up things and begins with M? 'Mum' came the reply!

The moment a child is born, the mother is also born. She never existed before. The woman existed, but the mother, never. A mother is something absolutely new.—*Rajneesh*

Meanwhile, standing near the cross of Jesus were his mother, and his mother's sister, Mary the wife of Clopas, and Mary Magdalene. When Jesus saw his mother and the disciple whom he loved standing beside her, he said to his mother, "Woman, here is your son." Then he said to the disciple, "Here is your mother." And from that hour the disciple took her into his own home. *John 19:25-27*

A teenager says when she sees her mum get up to do the washing up, 'Oh mum, don't do that. It's Mothering Sunday and you deserve a break. Leave it till tomorrow.'

WHAT IS CAFE CHURCH?

Café Church is church - but not as you might know or have experienced it!

Instead of a traditional service, this is a more relaxed and informal style of meeting together to worship God..

At Café Church we think about real life issues through discussion around the table, readings, music, poetry or maybe a short activity. There is always an element of surprise as you never quite know what to expect.

You will, however, notice something different as soon as you enter the building - the smell of freshly percolated coffee and maybe even warm scones! The tables will be set out with chairs grouped around them rather than being in rows.

There will be plenty of time to chat with people at your table, music to listen to, poems, readings from the Bible, prayers and maybe songs to join in singing.
