VOLUNTEERING: OUR MISSION STATEMENT

At Trinity Church we are committed to Volunteer Involvement as part of our outreach into the community. Volunteering at Trinity Diners is one way in which people, who are not members of the church, can become involved with us in serving the community. We are extremely grateful for their time and commitment. We are always pleased to welcome new volunteers onto our team.

OUR AIM:

We endeavour to offer nutritious food, friendship and a very warm welcome to all members of our community.

Why do our diners choose Trinity Diners?

What better testimonial can we have than comments made by our diners? They say they come to Trinity Diners because they enjoy eating among friends, where there is always a happy atmosphere and helpful volunteers. They tell us that our food is always super, well-cooked and flavoursome.

We can cater for up to 50 people and currently have spare places – please spread the word – better still - why not bring a friend with you to our next lunch?

TRINITY DINERS

where everybody is most welcome.
We offer nutritious food, friendship and will gladly do the shopping, cooking and even the washing up for you!
The cost for a main meal and dessert with tea or coffee is £5.50

It is important to book your meal in advance so please contact Jennie:

Tel: 01323 484189

email: secretary@trinitylep.plus.com

Our food is always freshly cooked on the day and therefore we cater for the number of diners booked in each month.

We are happy to adapt our menu for specific dietary needs wherever possible.

Please remember that if you make a reservation, but are then unable to attend, it is important that you let Jennie know no later than the **Wednesday** preceding the lunch. Someone else might like to have your place and it also helps us avoid wasting food.

Thank You for helping us in this way.

TRINITY DINERS

is a proud holder of a:

LEVEL 5 FOOD HYGIENE RATING
GOLD "EAT OUT EAT WELL" AWARD

We endeavour to do our best to ensure that all our diners' dietary needs are catered for.

At the time of booking your meal please tell us if you require any of the following:

- a vegetarian alternative
- a dairy free meal
- a gluten free meal
- a salt free meal
- low fat produce - if available

Potatoes, rice and pasta are cooked with a minimum amount of salt added to the cooking water.

Sweeteners and alternative teas are available- please ask your table server.
